stormwater and natural resources*

OHIO STORMWATER CONFERENCE

2015 CALL FOR SPONSORS AND EXHIBITORS

Plan to Sponsor and/or Exhibit at the 2015 Ohio Stormwater Conference

The Tinker's Creek Watershed Partners and the Ohio Stormwater Association invites your organization to participate as a sponsor or exhibitor at the premier stormwater conference in Ohio, May 6-8, 2015 at the Kalahari Resort and Convention Center in Sandusky, Ohio.

The annual Conference is recognized by stormwater professionals throughout Ohio as a key industry event. and is gaining national recognition. Over 575 decision makers including stormwater managers, municipal government professionals, county government representatives, state and local agencies, educational institutions, designers, engineers, contractors, project managers, consultants and distributors attend this conference on an annual basis.

The exhibit hall is centrally located to session breaks, breakfast, lunch and the reception with a door prize drawing where attendees gather to network. If you are a part of the stormwater industry there is no better place to maximize your company's exposure.

The 2014 Conference attracted over 660 consultants, designers, and local stormwater program managers from Ohio and neighboring states. The classification of attendees include:

Government - 44%	Engineers - 29%
Private - 11%	Department Heads - 9%
Non-profit - 5%	Planners - 2%

The 2014 event sold out quickly with over 85 sponsors and exhibitors. Given the response at last year's event, early registration is strongly encouraged. Display hours will be arranged to encourage attendance at the exhibits and to permit exhibitor involvement in conference activities. The breakfast, breaks, lunch and evening reception will all take place in and around the exhibit hall.

Who Should Exhibit?
