#### For More Information and to

pre purchase an

lvy 50-gallon rain barrel for \$63 Go to: RainBarrelProgram.org/

Springfield **HURRY!** Sale Ends April 26th

A rain barrel will be given away to an attendee of our workshop!

#### Disconnect Your Downspout!

Attend our workshop to learn how to easily disconnect downspouts, and receive a

#### FREE Flex-A-Spout!

Flex-A-Spout redirects the flow of stormwater to the lawn of the property. This prevents unwanted water traveling into the sewer system

- Rain Barrels reduce stormwater and provide a free source for outdoor watering needs.
- Single family condominiums and homes with at least 100 gallons of rain barrel storage qualify for a 50% discount on their stormwater fee.
- Stormwater Utility bill discount applications can be found at www.ci.springfield.oh.us/

www.rainwatersolutions.com

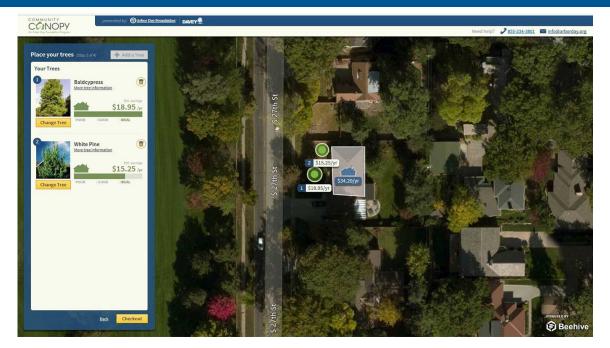

#### Starting a Municipal Rain Barrel Distribution Program

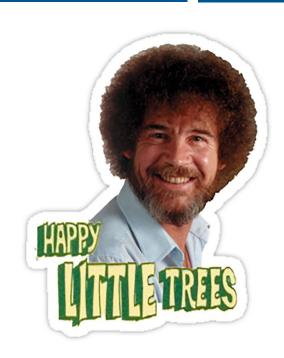

Not all rain barrels are created equal. Rain Water Solutions partners with you to provide homeowners an easy, affordable way to harvest rainwater and limit run-off. Our superior services, support, and bulk pricing will ensure the success of your municipal rain barrel distribution program.
